Headquarters records show the total official real estate holdings of your Station to be as listed on the attached "Real Property Summary". "Official" real estate includes all real properties occupied or controlled by Station personnel, except personal living quarters leased pursuant to subparagraphs [REDACTED] and properties acquired for temporary use as indicated in subparagraph [REDACTED]. It is requested that this listing be verified as to accuracy, adding or deleting if appropriate, making certain that an entry has been made in each space. Please return one adjusted copy promptly to Headquarters, retaining the other copy for your files. It is expected that this report will be the last because of the anticipated amendment to the regulations which will eliminate the Individual Real Property Reports (Form 979 and 360) substituting summary listing (Form 1768 rev.) to be submitted by the Stations annually.
